What does the technique or tool do? Tick ✓ the criteria.

- Listening & Reading** – It lets me read or listen to lots of interesting things at my level.
- Speaking & Writing** – It helps me practise *using* English to express myself.
- Interaction** – It lets me speak or write to other English users.
- Training** – It gives me lots of repeated practice.
- Spacing** – It lets me practise at regular times in the day or week. It recycles language so that I learn it better.
- Chunks** – It encourages me to see expressions and groups of words, not just single words.
- Personalisation** – It lets me use the language to talk about *my* life and things that matter to me.
- Flexible** – It lets me decide what to learn and when.
- Noticing** – It encourages me to notice interesting new words and structures.
- Feedback** – It tells me how good or bad my English is. It corrects me.
- Motivation** – I want to use it more because it's interesting, fun or challenging!
